The image shows the exterior of a large, modern university building with a white facade and multiple windows. In the foreground, there is a statue of a man in traditional Indian attire, standing with arms crossed. Several flags are flying on poles in front of the building, including a blue flag with 'BAGARIA EDUCATION TRUST' and a red flag with 'VIVEKANANDA GLOBAL UNIVERSITY'. Large red letters spelling 'WAKE' are visible at the bottom left. The background is a solid red color.

ABOUT - UNIVERSITY

Vivekananda Global University offers a globally recognised education system and curriculum to prepare you for the future. VGU, Jaipur is the leading private University of Rajasthan, established by the Rajasthan State Assembly Act 11/2012 and sponsored by Bagaria Education Trust, Jaipur. The university is known for its education policies, teaching-learning processes, research, innovation, entrepreneurship and placements. The university offers courses in Engineering, Architecture, Medical Science, Design, Basic and Applied Science, Management, Law, Humanities, Agriculture, Hospitality, Journalism and Mass Communications. At just over a decade old, VGU has become the fastest and the youngest growing University in India, accredited with Grade A+ National Assessment and Accreditation Council (NAAC), an autonomous institute to assess Higher Education. VGU scored highest in the First cycle of NAAC accreditation. Besides NAAC, VGU also has approval by various National and International Academic and Professional organisations. VGU is among the top universities in India.

Beyond its traditional offerings, the university remains at the forefront of educational innovation, leveraging technology to expand access and enhance learning outcomes. Through its robust online course offerings, students from all corners of the globe can engage with course materials, collaborate with peers, and interact with faculty members in dynamic virtual environments. Whether pursuing a BBA, MBA, BCA, MCA, MA (English), BA or MSC (Mathematics), students benefit from a flexible, student-centered approach to education that equips them with the skills, knowledge, and resilience to thrive in an interconnected, rapidly changing world.

Dr. K.R. Bagaria

**Ex-Member, RPSC
Founder & Vice Chairperson,
VGU Jaipur**

With the robust growth of Indian economy and its indispensable participation in the global arena, we endeavour to contribute our bit in this process by providing conducive and encouraging environment for the growth of quality education, effective industry- academia interface and constructive research. The nurturing and culmination of well rounded professionals possessing global competencies with firm grounding in their culture and value system is the challenge that we have set for ourselves to meet through our institutions. To ensure enhanced employability of our students, great emphasis has been laid on keeping them abreast with the latest technological advancements through persistently providing them with the state-of-the-art infrastructure in consonance with the contemporary and future needs of the global industry.

Dr. K. Ram

Chief Patron, VGU Jaipur

Vivekananda Global University, Jaipur aspires to take its place among premier engineering institutions creating global knowledge. Certainly, we will be at the forefront of knowledge dissemination, with the highest quality teaching as we place equal emphasis on research and knowledge creation and have attracted young and accomplished faculty whose curiosity and skill will spearhead this objective. We have made a stunning beginning but there is a long way to go and we are sure, with the active cooperation of all our stakeholders, students, faculty, staff, employees, collaborators, parents of the students, we will be able to fulfill our vision.

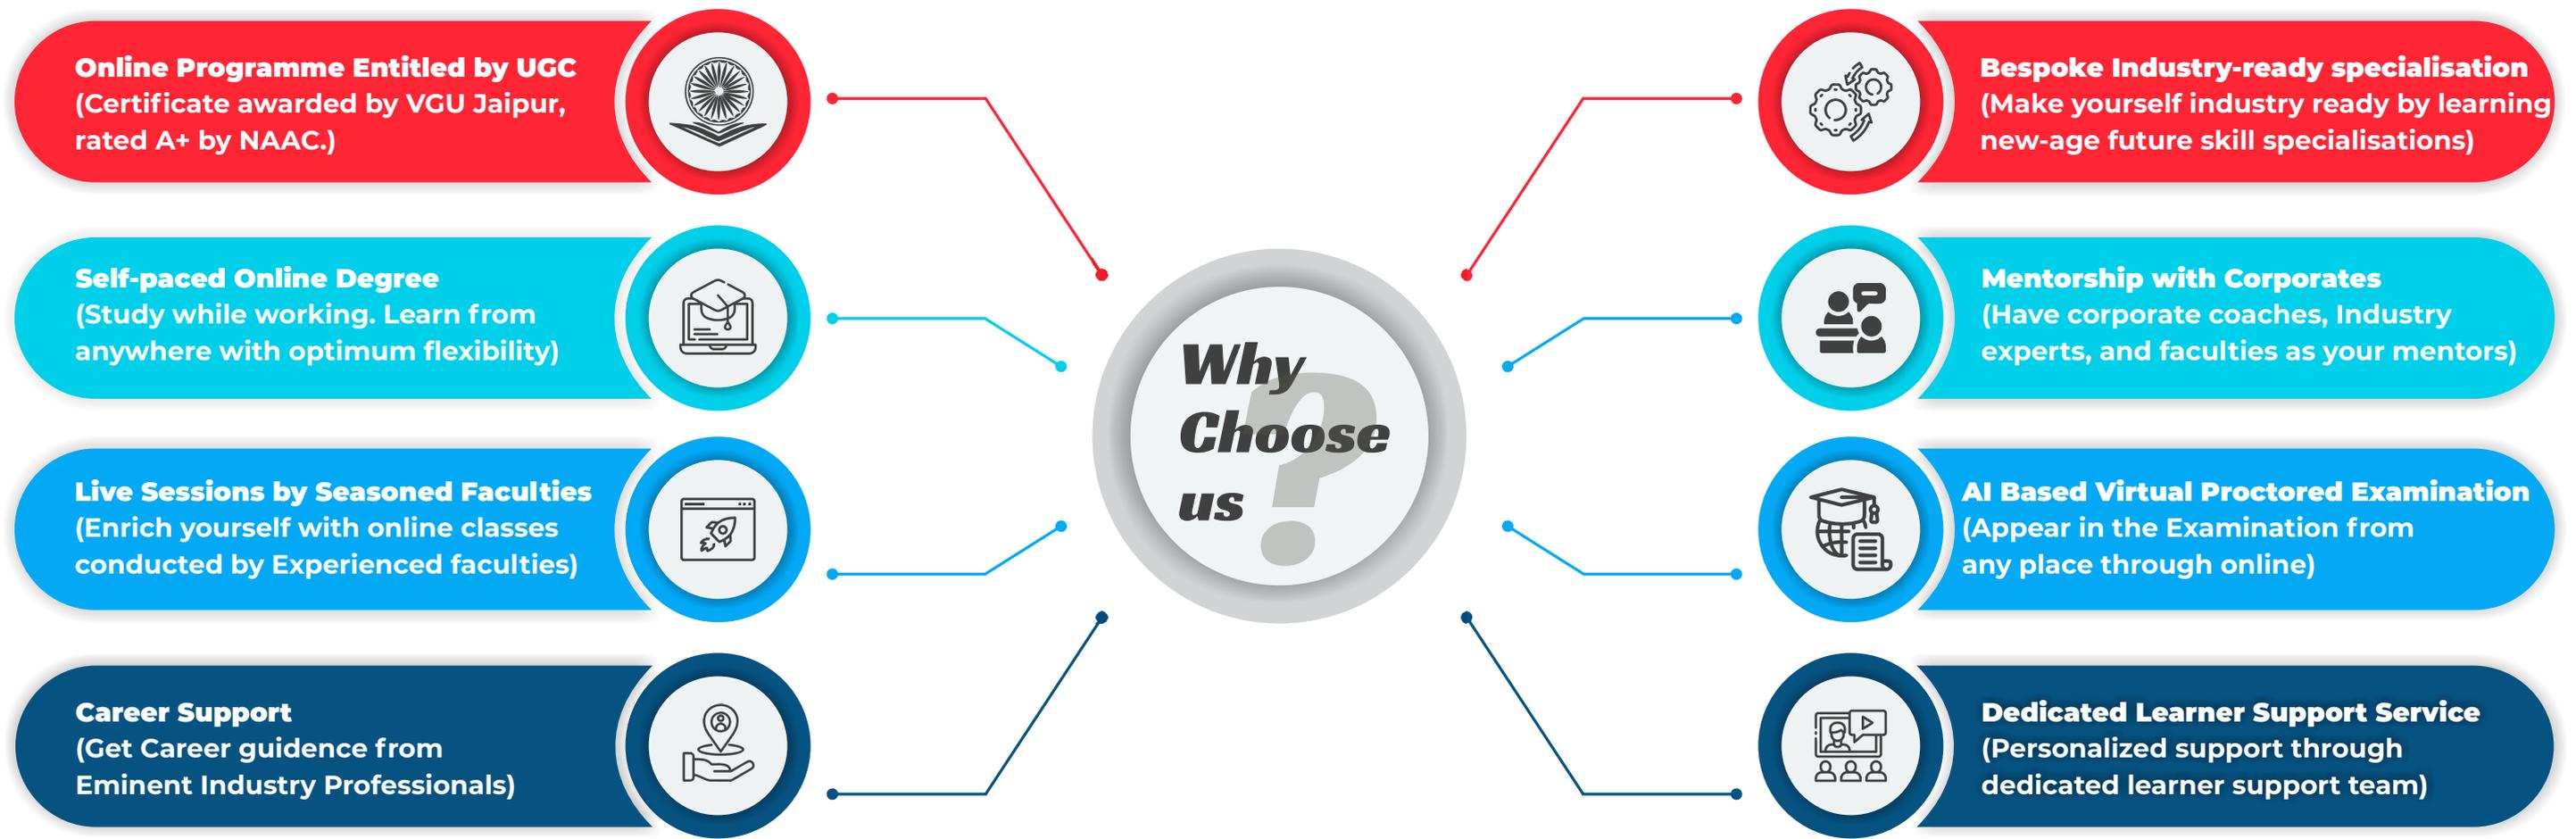

Er. Onkar Bagaria

**CEO
VGU and VIT Campus, Jaipur**

India's first Institute dedicated to Commerce, Entrepreneurship, and Liberal Studies is accredited by the Association of Chartered Certified Accountants (ACCA). As an organization, it works on a lean model where most of the faculties are business experts and are working on their start-ups or businesses alongside teaching at the college. Various distinguished academic aspects such as case study-based learning, 40% marks for practical training, new-age syllabus, International summer internships, start-up ecosystem partnership, and 100% paperless examination make GCEC Jaipur different from other counterparts.

In October 2022, the Centre for Distance and Online Education (CDOE) at Vivekananda Global University (VGU) took its first steps into the world of virtual education. Our Centre embrace the future of learning by offering flexible and accessible education to learners across diverse backgrounds and we are committed to providing high-quality distance and online education.
